DIPLOMA IN POLITICAL ANALYST

Undergraduate Diploma · Duration: 6 Months · Mode: 100% Online · NQA Level: 5

ASPG UNIVERSITY

Programme Code DPA-001	NQA Level 5	Duration 6 Months	Mode 100% Online	Qualification Diploma Level 5
----------------------------------	-----------------------	-----------------------------	----------------------------	---

About This Programme

The Diploma in Political Analyst equips students with foundational knowledge of political systems, governance structures, and policy processes. Students develop the analytical and research skills necessary for interpreting political activities, evaluating government decisions, and communicating findings to diverse audiences. This program explores domestic and international political dynamics, the role of political institutions, and the impact of policy on society. It is ideal for individuals passionate about public affairs, civic engagement and political discourse.

Programme Fees

Registration Fee	Monthly Instalment	Full Tuition Fee
N\$2,000	N\$1,500	N\$11,000

Core Curriculum Topics

Subject Area	Core Topics Covered
Introduction to Political Science	Political systems, governance structures, political ideologies, state and government theory
Research and Analysis	Qualitative and quantitative research methods, data interpretation, political research design
Data Interpretation	Statistical analysis, political data, survey methods, policy data analysis
Reporting & Communication	Political communication, media analysis, public speaking, report writing
Strategic Advice	Policy advisory, political strategy, conflict resolution, stakeholder engagement
Forecast Political & Monitoring	Political forecasting, election monitoring, political risk assessment, trend analysis

Core Courses by Semester

Semester 1 <i>Core Political Science</i>	Course Code	Course Name
	POL101	Introduction to Political Science
	POL102	Research and Analysis Methods
	POL103	Data Interpretation for Political Analysts

Semester 2 <i>Applied Analysis & Specialization</i>	Course Code	Course Name
	POL201	Reporting and Political Communication
	POL202	Strategic Advice and Policy Advisory
	PO1203	Political Forecast and Monitoring

Program Objective

The primary objective of a political analyst course is to equip participants with analytical skills, and critical thinking skills needed to interpret complex political activities, predict trends, and provide evidence-based, strategic advice. These course focuses on applying theoretical knowledge in political activities

Key skills

Analytical Skill: Abilities to utilize authentic proven political ideologies and contemporary political theories to interpret the effects of politicians' decisions and political activities, including both qualitative and quantitative research techniques.

- **Professional Reporting:** Build proficiency in writing professional, objective political reports and policy analysis.
- **Strategic Insight:** Develop the ability to evaluate current political activities, identify key stakeholders, and anticipate future developments or crises.
- **Practical Application:** Bridge the gap between academic theory (political science) and practical application (political analysis).
- **Understanding Political Dynamics:** Gain deep insight into political systems, institutions, international relations, and how they affect policies.

Career Pathways

Graduates are well-positioned for the following careers:

- Political Analyst or Independent Political Researcher
- Policy Officer in Government Ministries
- Civil Society and NGO Programme Officer
- Political Journalist or Media Commentator
- Electoral Officer or Campaign Manager
- Public Affairs Consultant
- Independent Councilor's Position

AFRICA POLITICAL ANALYSTS PROGRAMME

Open Membership · Compensated Monthly · 100% Online · Global Network

ASPG UNIVERSITY

About This Programme

Be part of the Global Africa Political Analysts Network. The role of a Political Analyst is to research the political system inputs of your country — such as governing laws, taxation policies, and economic equality — and present findings on the ASPG podcast while providing insights to any conflict of interest. Political Analysts meet occasionally for politics and governance research presentations, which are published on ASPG University website. Participants are compensated wages on a monthly basis for their research.

What You Will Do

- Research governing laws, taxation policies, and economic equality in your country
- Present political research findings on the ASPG podcast and publications
- Provide insights and solutions to political conflicts of interest
- Contribute to global political knowledge and governance discourse
- Be part of the World Conference: Advocating for Political Government to Legal Government Global

How to Join

- Forward your CV to: africapoliticalschool@gmail.com
- Subject line: Africa Political Analyst Application — [Your Country]
- Your research will be published on ASPG social media
- Monthly compensation for accepted research submissions
